A MESSAGE FROM DAZZ & V

We're passionate about sustainability and providing amazing food at amazing prices. Because of this, sometimes our menu will have slight changes depending on what's available, fresh and/or in season. EG: we may need to swap tomato for capsicum. We use free range eggs and bertocchi bacon where possible. Regarding allergens, intolerances and dietary requirements - we will always do our best to cater to your needs. However we are a small kitchen and therefore our food prepared here may contain : milk, eggs, wheat, soybean, peanuts, tree nuts, fish and shellfish. If you are anaphylactic, please ensure staff are made aware. On busy days, we may not be able to accommodate alterations. If you have any concerns with any of the above, speak to one of our friendly staff members.
